International Business Development and Export Operations

Founder of Nova Selected, operating pet products brand Fluffy Select and lab-grown diamond brand Shine Moment. Experience in US market operations, overseas retail and supply chain coordination, with direct responsibility for suppliers, freight forwarders, warehousing and exports. Seven years of study and work experience in the United States.

PROFESSIONAL EXPERIENCE

Nova Selected | Founder
Shanghai, China | Brand projects below

Fluffy Select | Pet Products | Oct 2025 - Present

- Built a pet products brand for the US market from the ground up; manage overseas retail and Shopify operations, including creator partnerships, product sampling, commercial terms and advertising permissions.
- Manage supplier, freight forwarder and warehouse relationships and export operations, coordinating supply, international shipping and warehousing between China and overseas markets.
- Develop product-level and container-level profitability models covering sourcing, ocean freight, US warehousing, last-mile delivery and returns; assess inventory costs under different sell-through scenarios to inform pricing and sales planning.

Shine Moment | Lab-Grown Diamonds | Jan 2025 - Present

- Independently manage Xiaohongshu and offline retail, business partners, sales forecasting and inventory planning. Generated RMB 800,000 in 2025 sales; forecast full-year 2026 sales of RMB 1.3 million.

ClassPass | Senior Operations Manager
Shanghai, China | Apr 2022 - Dec 2024

- Built China customer operations from zero. In 2023, returning-customer GMV grew 125% and contributed 83% of total GMV; segmentation and lifecycle campaigns increased 30-day repeat purchase rate by 10.8%.
- Used Metabase and Tableau to analyze channel value and conversion, informing product and operations decisions; improved the mini-program payment journey, increasing payment-page conversion by 7%.

MAIA ACTIVE | Customer Relationship Management Manager
Shanghai, China | Jan 2021 - Dec 2021

- Managed Tmall and retail-store loyalty programs, growing membership from 130,000 to 280,000; increased Tmall member registration from 0.8% to 2.5% and member activity from 22% to 38%.
- Developed annual CRM strategy and budget allocation, coordinated vendors and agencies, and provided consumer insights to merchandising, retail, supply chain and e-commerce customer service teams.

Xiaozao Education | Overseas Business Manager
Shanghai, China | Mar 2019 - Aug 2020

- Built the overseas business team with responsibility for user growth and GMV; increased monthly overseas GMV by 750% from launch and grew overseas revenue share from 15% to 40%.
- Developed acquisition and partnerships across the US, UK and Australia, adding 9,000+ users monthly; worked with product teams and trained sales consultants, raising lead-to-sale conversion from 3.9% to 6.2%.

EARLIER EXPERIENCE

Jiaozi Education | Business Assistant Manager | Feb 2018 - Feb 2019

Easymay Inc. | Business Development Specialist | New York | May 2015 - May 2017

- Conducted US education market research and maintained senior client relationships to identify business needs and growth opportunities.
